CLUB NOTES

A little over three short years ago Portsmouth enjoyed the proud claim that they were one of the only two clubs never relegated from the First Division — the other one being Luton Town at that time.

Since then our Hampshire visitors have suffered a double eclipse, in so far as they went down in 1959 (Luton followed the next year) and further disaster came to Fratton Park in 1961 when the Third Division claimed their attention for the first time since 1924.

However they returned to the Second Division at the first attempt last season and this morning meet us for the first of the home and away Xmas fixtures, the return encounter at Portsmouth on Saturday.

Pompey first visited Deepdale in August, 1925, the curtain raiser of their eighteen previous matches played here, where they have drawn exactly half that number (six on successive trips — five of these by the same 1–1 score).

They have however, won only twice and lost seven times, their last few visits blotting an otherwise excellent record at Deepdale.
